Works-in-Progress

- *Why We Hate the Windfall* (exploring the differing moral attachments given to various economic gains and arguing against the forced redistribution of good luck through nonpreferential treatment of so-called windfalls).
- *Enron & Loss Causation After Dura Pharmaceuticals* (arguing that the plaintiffs in the private securities lawsuit against Enron Corp. should not have survived a motion to dismiss based on the theory of loss causation).
- *Hedging, Speculation and the Law* (examining both the legal treatment of these types of financial investments and the differing moral attachments placed on them).
- *Should Mr. Meinhard Go to Jail: Theft of Honest Services as Crime* (reviewing the viability of the federal crime of theft of honest services)
